

Your Health & Wellness Is Our Priority

HCSG offers a comprehensive array of benefits to enhance and support the welfare and health of our associates and their families and overall quality of life.

The benefits below are free and available to all employees, regardless of weekly hours worked.

Telemedicine

As an HCSG employee, you will have access to Doctors 24/7/365 through **MDLive!** You, your spouse, and your children can access doctors as often as you need by phone, tablet, or computer with \$0 co-pays and local pharmacy prescription pick up.

Scan QR Code to register today at MDLive.com or download the MD Live app on the app store.

Prescription Discounts

The **SmithRx** drug savings program entitles you and your dependents to 50% discounts on most FDA-approved prescription medications. The program is 100% free to use — there are no deductibles, no maximums, and no pre-existing condition exclusions.

Email benefits@hcsghcorp.com to obtain your pre-activated discount card and ready for immediate use.

Employee Assistance

Life can present challenges, but you do not have to face these alone. The **ComPsych® GuidanceResources®** Employee Assistance Program offers counseling, legal and financial consultation, work-life assistance, and crisis intervention services to you and your household family members.
